“One last run to get the job done!”

My top priority is to see the Haverford Reserve (formerly Haverford State) development come to fruition. I have fought many years to bring Haverford a facility of which we can be proud. This new facility will provide you with a community center and recreational areas, while still preserving 123 acres of open space and, in addition, will bring in significant new tax revenue.

But I need your help!

Here’s how Republicans can help:

- Republicans can help by voting for me on May 15. (This is especially important to me this year since my opponent is a Twardy/Moran-backed candidate.)
- If you are unable to get to the polls, **call me for an absentee ballot.**
- If you have anyone who would like to register to vote in the Republican primary (18 years or over), call me for a registration form.
- Work the polls on Tuesday, May 15.
- Put a sign on your lawn.
- Volunteer to help in my campaign (stuff and label envelopes, make telephone calls, etc.)
- Help me with my fundraiser.

Here’s how Democrats and Non-Partisans can help:

- Unfortunately, because you have to vote your party in the primary, the only way you can support me is to change your party to Republican. You can change back after the primary.
- Work the polls on Tuesday, May 15.
- Put a sign on your lawn.
- Volunteer to help in my campaign (stuff and label envelopes, etc.)
- Help me with my fundraiser

It has been my honor to serve the people of the Seventh Ward and with your support I will be able to serve one last time to see the job done.

Sincerely,

Jim McGarrity
