

James E. McGarrity
7th Ward Commissioner
401 Kenmore Road
Havertown, PA 19083

Dear Friends and neighbors:

The reason I am writing to you today is because I believe in **Chris Connell**, candidate for 8th Ward Commissioner. I have known Chris for most of his life and I can assure you that he is an energetic, intelligent, hardworking father of five who cares about and loves his community and has always strived to make it a better place. You may know him as the owner of the Pig and Whistle Deli (formerly Butch's on Edgewood Road).

Chris Connell has volunteered for many years and presently serves on the boards of Llanerch Fire Company, Haverford Township Day Parade, and the Skatium to name a few. He is an active and long-time member of Annunciation parish.

If you're looking for a hardworking commissioner with good common sense, I can tell you **Chris Connell** is the man you are looking for. I believe in **Chris Connell** and ask your consideration for Chris for 8th Ward Commissioner on **Tuesday, November 3, 2009.**

If you need an absentee ballot or would like to help us doing literature, stuffing envelopes, working the polls, or placing an elect Chris Connell sign on your lawn, please give either Chris (610-449-9881) or me (610-446-8088) a call.

Sincerely,
Jim
